

Meal Reimbursement Rates

	Tier I	Tier II
Breakfast	\$1.11	\$.41
Lunch/Supper	\$2.06	\$1.24
Snack	\$.61	\$.17

The amount you receive is based on a two-tier reimbursement scale.

These rates are in effect from July 1, 2007, through June 30, 2008 - rates payable for each meal are adjusted by the USDA each July.

Whether you will qualify for Tier I or Tier II rates will depend on a number of factors, such as the location of your child care home, your household income or the income of the families enrolled in the program. In addition, if your household income falls within the USDA income guidelines, you may be eligible for reimbursement for your own children ages 12 and younger.
